Home-School Agreement

At Ysgol Bro Taf, we believe that the best outcomes for our pupils are achieved when school, home, and pupils work together in a spirit of trust, mutual respect, and a shared purpose. This Home-School Agreement sets out our shared commitment to ensuring that every child thrives academically, socially, and emotionally within a supportive and aspirational community. We ask that you read this carefully and ensure both yourself and your child understand our values.

We are guided by our core values, which underpin everything we do. We want our whole school community to embrace and demonstrate these values. This includes staff, pupils, parents and carers.

- **Be Brave**
- **Be Respectful**
- **Be Optimistic**
- **Be Trusting**
- **Be Aspirational**
- **Have Fun**

Together, we commit to nurturing these values and fostering positive communication and collaboration for the benefit of every pupil.

As a Pupil or a Member of Staff at Ysgol Bro Taf, I will:

- **Be Brave:** Take risks in my learning, face challenges with resilience, and support others to do the same.
- **Be Respectful:** Treat everyone in our community with kindness and consideration, valuing our differences.
- **Be Optimistic:** Approach learning and school life with a positive, 'can-do' attitude.
- **Be Trusting:** Build strong relationships based on honesty, cooperation, and mutual respect.
- **Be Aspirational:** Set ambitious goals for myself and support others in striving for excellence.
- **Have Fun:** Celebrate achievements, enjoy learning, and contribute to a happy, fulfilling school environment.

We value our strong relationships with parents and carers. Together, this helps us achieve the very best for the children in a mutually supportive partnership between parents/carers, class teachers, school leaders and the school community.

As a partnership, parents and carers understand the importance of a good working relationship with the school. We continually welcome and encourage parent and carers to participate in the life of the school. Parents and carers are always encouraged to contact the school with any concerns and/or issues so that effective solutions can be found. The school appreciates the opportunity to resolve any matters of concern with parents and carers.
